All that's changed is that those items (and cuts) have since become mainstream. I think you would have received a lot of very funny looks if you were to have walked around in a Slimane-ish look in the mid-90s. Meanwhile, what looks Zoolandish to you today will be the mainstream in a few years. Reactions: thorns. cloons Senior Member. Joined Jul 23, 2010 Messages 489 Reaction score 195. Jan 6 ...

The two great heroines of American talkies, the two who dared to play smart women (who had to), the two most specifically modern of women stars--the tough, embattled Davis and the headstrong, noble Hepburn--have both gone soft on us, have become everything we admired them for not being. They had been independent enough to fight the studios, but they have given in to themselves. The public has ...
