A brief literature review on organizational culture  
By Helena Mullock. March 5, 2014 . According to Azhar (2003) organizational culture is the combination of important assumptions that are shared in common by each members of an organization and are often unstated. Organizational culture is basically made up by two major common assumptions: values and beliefs. Values are the

There is 1 brief mention of analytics for candidate sourcing, but much more discussion of HR analytics is needed in order to bring this forward to present day. The HR analytics subfield has grown dramatically in its significance to the field during the past decade. Also the related subfield of HR Information Systems is barely mentioned at all. A solid understanding of HR practice requires ...
